IOWA ASSESSMENTS

This week the students from K-8th grade completed the Spring Iowa Assessments. These standardized tests show parents and teachers where the students stand academically, and how they have grown throughout the year. The results of the tests help form lesson planning and instruction here at school. The tests will be mailed off on Monday and we should receive the results in a few weeks. Parents will be notified when the results are returned.

EASTER BREAK

Next week will be a short school week. On Thursday students will be dismissed at 12 noon. There will be no After School Care on Thursday. There is no school on Good Friday or Easter Monday. Classes will resume on Tuesday, April 18. We hope that you all have a happy and blessed Easter season.

JEAN DAY

There will be no Jean Day this week. We have Holy Mass on Thursday, so students will be required to dress in full mass uniform.
